

PROJECT STATUS REPORT FORM

Project Number: PGT-06-01 Best Practice for Power Generation	Task Force: Power Generation & Transmission Task Force				
Title of Project: Peer Review of Coal Fired Thermal Power Plants & Best Practices in Power Generation					
Lead Partner Country: India					
Participating Partner Countries and Organizations: All					
Project Location (Country, State/Province, City): NOIDA, India					
<table style="width: 100%; border: none;"> <tr> <td style="width: 50%; vertical-align: top;"> Project Manager Information Name: D.K. Jain Organization: NPTC Limited Address: </td> <td style="width: 50%; vertical-align: top;"> Phone: 91-11-23717753 Fax: Email: dkjain@ntpceoc.co.in </td> </tr> <tr> <td style="vertical-align: top;"> Name: Prasenjit Pal Organization: NTPC-EOC Address: </td> <td style="vertical-align: top;"> Phone: 91-120-2410303 Fax: 91-120-2597424 Email: prasenjit@ntpceoc.co.in </td> </tr> </table>		Project Manager Information Name: D.K. Project Manager Information Name: D.K. Jain Organization: NPTC Limited Address:	Phone: 91-11-23717753 Fax: Email: dkjain@ntpceoc.co.in				
Name: Prasenjit Pal Organization: NTPC-EOC Address:	Phone: 91-120-2410303 Fax: 91-120-2597424 Email: prasenjit@ntpceoc.co.in				
Project Start Date: February 6 -12, 2008	Date of Project Status Update: October 2009				
Actions Since Last Update:					
Deliverables Since Last Update:					
Date Completed:					
Milestones Reached:					

Next Steps: The Ministry of Power, India along with the Government of India is working towards some efficiency gain and improvement to achieve three objectives; availability of more power, cost reduction and emission reduction.

Proposed Project End Date: TBD

Project Already Complete: Yes No

- **Other Information:** The Ministry of Power, Government of India and NTPC, Ltd. hosted the “Peer Review of Coal Fired Thermal Power Plants & Best Practices in Power Generation” in India, 6-12 February 2008 as part of the Power Generation and Transmission Task Force project entitled “Best Practices for Power Generation Activity Plan.” Approximately 90 to 100 participants from the six APP countries attended the event. This event includes two plant site peer review activities; one at the ‘National Capital Power Station’, Dadri of NTPC and the other at Kota Thermal Power Station.
