| Actions Since Last Update: <i>Please provide a brief description of the Activity undertaken.</i> Recruitment of 19 MEngSc students for Semester 2 2010 intake. | | |
| Deliverables Since Last Update: <i>Please list the outputs delivered by this project.</i> <u>Completions & Graduations</u> In 2010, 10 MEngSc students completed the APP program at end of Semester 1 and 12 at the end of Semester 2. 8 undergraduate students finished their studies in Semesters 1 2010 and 26 completed in Semester 2 2010. Several of the graduating students have intended to enter the School's PhD program but the numbers able to do so has been restricted by the availability of scholarships. | | |
| <u>Graduate Destinations</u> <ul style="list-style-type: none"> - Return to home country to work in local solar industry - Further study - 4 APP students have been awarded the EIPRS scholarship by the Australian government through the Endeavour program to study PhD at UNSW. - Another APP student was awarded tuition fee waiver scholarship towards his PhD study | | |

at UNSW.

Milestones Reached Over Lifetime of Project: *Please list the major milestones attained with timing (month/year).*

As of Semester 2, 2010, PhD, UG & Masters recruitment has been successfully completed. The program has recruited in total:

- 5 PhD students.
- 60 UG students.
- 80 Masters students.
- 14 English language enrolments of the maximum allowed 69. Due to the high quality of students recruited, most students do not need extra English language tuition.

Details below:

1. Semester 1 2008, recruitment of 5 UG, 1 MEngSc and 3 PhD students.
2. Semester 2 2008, recruitment of 8 UG, 11 MEngSc and 2 PhD students.
3. Semester 1 2009, recruitment of 26 UG, 20 MEngSc students
4. Semester 1 2010, recruitment of 21 UG, 29 MEngSc students
5. Semester 2 2010, recruitment of 19 MEngSc students.
